## Frequently Asked Question: "How are we going to fund this ambitious initiative?"

Home Missions currently funds about six new home missions and three ministry enhancements per year. WELS Home Missions is looking to increase that number to 10 new missions per year while continuing to support ministry enhancement requests as able. Additional funds would come from increased Congregation Mission Offerings (CMO) from churches, synod reserves (when available), proceeds from closing WELS churches, and generous gifts from WELS members.

We confidently ask you to consider giving generously to this amazing opportunity to expand our efforts to share the saving gospel right here in our own backyard. This is a BIG challenge. An impossible one you might say. But we prepare and we plan, and we ask God to bless it. Trusting in the Lord, we boldly move forward knowing God will bless us and his kingdom.
